

Property Inventory Sheet

A two-page record of household belongings for insurance and recovery

Record major belongings, supporting details, and where your evidence is stored. List one item per row. Use "N/A" when a field does not apply, and attach extra pages as needed.

How to document each item

- 1 Photograph** each item, including a close-up of labels and serial plates.
- 2 Record** make, model, and serial number exactly as printed.
- 3 Keep** receipts, appraisals, and warranties with your photos.
- 4 Store** copies outside the home: cloud storage or a trusted person.
