

Community Resource & Recovery

WORKSHEET

A customizable local-contact and recovery reference

Complete this page before it is needed. Keep a paper copy in your emergency kit and update local contacts, account numbers, and service information at least once each year.

Use this after a disaster, crime, outage, or major hardship

- **Start with immediate safety needs.** Call 911 for life-safety emergencies. For non-emergency support, use verified local contacts and official websites.
- **Protect your information.** Do not provide sensitive information to anyone who contacts you unexpectedly.
